Financial Disclosure
It is the policy of AHC Media that all faculty participating in continuing education activities disclose to the audience in advance of the activity any consultant, stockholder, speakers’ bureau, research, or other financial relationships with companies having ties to this field of study. We disclose that Sue Dill Calloway, RN, MSN, JD, Kay Ball, RN, PhD, CNOR, FAAN, Regenia Sims, and Tessa Turner report no relevant financial relationships related to the material presented in this webinar.

Intended Audience
CEOs, CFOs, COOs, CMOs, CNOs, CE directors, department directors, quality improvement staff, physicians, nurses (all levels), compliance officers, CMS liaisons, TJC liaisons, registration staff, safety officers and staff, pharmacy staff, ethics committee members, consumer advocates, risk managers, legal counsel, behavioral health staff, psychiatry staff, social workers, discharge planners, case managers, hospice staff, regulatory affairs staff, and anyone involved with or interested in compliance regulations and standards.

Learning Objectives

At the conclusion of this webinar, participants will be able to:

1. List the 3 sections that contain the CMS hospital CoP interpretive guidelines on informed consent.
2. Explain what the differences are between critical access hospitals and prospective payment system hospitals in CMS CoP interpretive guidelines on informed consent.
3. List the six mandatory requirements that have to be included on the informed consent form for surgery performed at a hospital that receives Medicare reimbursement.
4. Discuss what CMS standards should be reflected in a hospital’s policy and procedure document.
5. Identify the procedures and tests that require informed consent forms according to federal regulations.
6. Explain new and revised standards, regulations, and laws put forth by CMS, TJC and the federal government.
7. Evaluate compliance requirements and penalties.
Continuing Education

To receive 1.5 hours of CNE credit for participating in this webinar, please complete the evaluation located at the following link by December 15, 2015
